# TENANCY AGREEMENT

Tenancy agreement for flats, including rental units for mixed purposes and separate rooms in private tenanted properties.

A number of provisions in the Danish Rent Act are fixed while others may be dispensed with by agreement. If any of the parties wish to derogate from the general rules of the Danish Rent Act and/or the tenancy agreement, this must be stated in section 11 of this agreement.

Unless explicitly permitted in the pre-printed text, no agreed derogations must be stated directly in this agreement (by deleting parts of the text, etc.).

Some of the terms in the pre-printed text are highlighted using **bold italics**. These terms are derogations from the general rules of the Danish Rent Act. If the parties have agreed upon the italicised-conditions of the agreement, these will not need to be specified in section 11. The terms stated in section 11 are adequately highlighted.

Unless otherwise agreed by the parties on matters from which the regulations may be derogated, the rights and obligations of the landlord and the tenant under this tenancy agreement are regulated in the Danish Rent Act in force.

An appendix to this tenancy agreement provides a guide on tenancy agreements for flats, including rental units for mixed purposes and separate rooms in private tenanted properties. The guide is included in the authorised tenancy agreement.
