Please remember to identify yourself, so we can find your payment, write your name and address on the transfer. Note: Payment from a foreign bank costs 50 DKK (6,7 EUR) in transfer fee (if you choose that the sender and the receiver is to split the fee), so you have to add that amount to your bank transfer. **Rent** has to be paid no later than the 1st weekday in a month, otherwise you can be penalized with a reminder fee of approx. 38,3 EUR. You can pay each month or transfer all the rent money at once (just multiply the monthly rent with the number of months).

Please remember that this is a dorm, so have respect for the other students, keep the noise to a minimum, remember to clean up after yourself etc.
